The yearbook staff came up with a social networking theme, iRemember. They used Facebook, Youtube and various search engines to tie their sections into the theme. Seniors had Google, underclassmen had different search engines (juniors - yahoo; sophomores - Ask; freshmen - dogpile), the faculty pages had Gmail, and sports pages featured tweets.

Jo-Anne Charette advised the Huttlestonian 2013. It was printed by Lifetouch Yearbooks in Love Parks, Illinois, and our representative is Katherine Curley. There were 147 copies printed in our press run. The book covers events from late spring 2012 through the beginning of spring 2013.

The cover is a custom designed, Litholine Cover in full color process with matte ink with clear silkscreen. The trim size is 8 x 10.5. The cover is 150pt binders board with tight backed binding. The yearbook staff produced the entire book online using the Lifetouch Yearbooks, Volumes Premier Online program.

Senior, faculty and underclassman portraits, clubs and sports teams, along with most school activities were photographed by Mare Studios and Galleries, 27 Centre Street, New Bedford. Parents Kristen St. Pierre (Rumors, p. 115), Christine Pires (Powderpuff, p. 112), Melissa DeTerra and Marianne Tichon also contributed some photos, along with staff photographer Dalton Hastings.

YEARBOOK MAIN STAFF

During our four years at Fairhaven High School, we have made memories that will stay with us forever. Through strong relationships with friends and teachers, we believe we became a zealous class as a whole and helped to prepare each other for life after high school. The 2013 Huttlestonian Yearbook Staff captured some of our best memories so that one day, years from now, when you look back at your high school career, you will remember the great times we had here at Fairhaven High School. It is our honor to present the 2013 Huttlestonian Yearbook to the class of 2013.

On a final note, we would like to extend a thank you to our yearbook staff for their hard work. You have created a memoir that will be enjoyed by many for years to come. We would also like to congratulate the class of 2013 and wish you all good luck with whichever path you decide to take.

Sincerely,
Eric Plummer, Ashley Pereira, Molly Silva

62+ years of combined teaching at FHS

Two staff members are retiring from the high school this school year with over sixty years of experience between them. They are Kathleen A. Clement and Suzanne Leclerc.

The FHS Library Media Specialist will be retiring at the end of this school-year after 39 years of teaching in Fairhaven Public Schools. Ms. Clement has been at the high school since 2006.

"I have mixed emotions about retiring," said Ms. Clement. "I love teaching and coming to FHS each day, but it is time for a new adventure."

She officially started her Fairhaven career back in 1976 as a grade 1 teacher at Job C. Tripp School for five years. She then moved on to HMS where she spent most of her years, starting as a Grade 8 reading teacher for another five years. She then became the library media specialist in 1987 where she stayed until budget cuts eliminated the position in 2004. She was a grade 7 reading teacher for two years before going back as a librarian when she took over the high school position after Jackie Rolnick retired.

"After teaching students from kindergarten through grade 12, I do believe in the famous essay by Robert Fulghum, *All I Really Need to Know I Learned in Kindergarten*," she said about her experiences through all of the grade levels. What she loved most about her job was working with the great students and families of Fairhaven.

She received her bachelor of arts in English/Elementary Education from UMass-Dartmouth and received her master of education in school librarianship from Bridgewater State College.

"The changing world of a school library has been energizing," said Ms. Clement, "and I will never forget the friendships I've made over the years."

She plans to spend her free time gardening, reading, volunteering, and learning some new crafts.

"It was wonderful ending my career at the high school from which I myself graduated (in 1968)," Ms. Clement said.

Mrs. Leclerc has been working in the school system for over 25 years. At the beginning, she was the go-to person when people transferred or left their jobs. She started under Food Services Director Charlotte Gilmore in 1987. Her job switch to secretary began in 1988 for a few months when an Oxford School secretary left and a transitional person was needed. Finally, former administrator Allen Duarte called to ask her to help with the transition at the high school after Mrs. Evelyn Martin retired to start the 1990 year, and she has been here ever since.

"I enjoyed working with the present and former principals and vice principals and enjoyed the kids and parents," said Mrs. Leclerc. "I enjoyed every bit of working here."

She said she will miss the faculty and staff at FHS the most, "but it's time for me to sit back, relax and enjoy my family."

SENIORS

In September of 2009, the class of 2013 arrived at Fairhaven High School. Class officer elections were held in October and yielded officers Veda Krol (President), Laura Medeiros (Vice President), Dan McLaughlin (Treasurer), Katie Langlois (Secretary), Catherine Rapoza (Historian), and Alexandra Saulenas (Public Relations). Ryan Baldwin was elected to the position of secretary after Langlois's transfer to GNBRVT. Numerous fundraisers were held throughout the four years including the cookie dough fundraiser, student vs. teacher volleyball and basketball games, many Cold Stone, Texas Roadhouse, and Papa Gino's fundraisers, and the very successful Yankee Candle fundraiser. At the end of junior year, Jackson Oliva ran against Veda Krol for president and took over at the beginning of senior year. The Class of 2013 grew into a tight-knit group of seniors, bonding over events such as sports games, Mr. Fairhaven, and *A Night to Remember* Prom. Reflecting on their small town roots, the senior class sang *Small Town* by John Mellencamp as their graduation song. This talented group of seniors will "leave their mark on the world."

Co-Advisor, Class of 2013

Dear Class of 2013,

It's surprising to look back on the days when we were still freshmen, and remember those moments as if they were just the other day. The past four years with this class have been unbelievably short, and I can personally admit that it will be difficult to let every one of them slip away into the past. Now that we are grown up and ready to face the world for what it is, we will always commit to heart the memories and roots we have in Fairhaven.

I encourage each and every one of you, as you leave this high school, to go out and leave your mark. Whether you be pursuing a career, studying in college, or serving the country, always strive to accomplish and set out to attain new goals. As corny as it may sound, I have the highest hopes that you all seek your dreams and reach for the stars as you enter this new stage of life. Seize the day, and may you leave your mark so that all who come to pass may remember you.

Sincerely,
Jackson Oliva
President, Class of 2013

Quote: *Leaders are not, as we are often led to think, people who go along with luge crowds following them. Leaders are people who go their own way without caring, or even looking to see, whether anyone is following them. 'Leadership qualities' are not the qualities that enable people to attract followers, but those that enable them to do without them. They include, at the very least, courage, endurance, patience, humor, flexibility, resourcefulness, stubbornness, a keen sense of reality, and the ability to keep a cool and clear head, even when things are going badly. True leaders, in short, do not make people into followers, but into other leaders."* -John Holt

Dear Class of 2014,

On behalf of the class officers and myself, I would like to thank you for re-electing us. We have been working diligently to successfully achieve our aspiration, an exciting and memorable senior prom. In order to accomplish this goal, we have been holding many fundraisers like Dinner for a Cause at the Texas Roadhouse, a booth at the Holiday Fair, concession stands at basketball games, selling carnations and compatibility tests for Valentine's Day, car washes at Sears and at our school, and a babysitting service. I would like to finish by thanking you once again for re-electing us.

Sincerely,
Kyle Bueno

Dear Class of 2015,

First, I would like to thank you for electing me as the president of the sophomore class. The last two years of being class president have been a great honor. I would like to thank everyone in the class of 2015 who helped us this year through participating in fundraisers or helping out in any way possible. With that said, I would like to ask you to keep up the hard work. The class officers and I are proud of the reputation our class has created for ourselves in the school, as well as in the town. I am glad to say that we have created a solid foundation for the years to come. Senior year is rapidly approaching, and it seems like yesterday we were entering the school for the first time, but I am confident that our class will continue to surpass goals that we once thought were not reachable. Once again, I would like to thank you for giving me the honor of being your class president.

Sincerely,
Ross Perry

Dear Class of 2016,

First off, I would like to thank each and every one of you for supporting me and each other throughout our freshman year. Our high school journey has just begun, and as we face the years ahead, we face them together, united not only as an exemplary student body, but also as a family. As we continue with our high school careers, we shall face many struggles and obstacles, as well as many accomplishments and good times. The important thing is that we go through them together. Being the president of such an inspiring and admirable class has been my utmost pleasure, and I hope I will be able to represent you again next year. Thank you, and I wish you a prosperous and memorable sophomore year.

Sincerely,
Alec Plante

Exchange Students

Fairhaven High School annually hosts foreign exchange students for the school year. This year, the school was lucky enough to host three students, each from a different country: Kako Kitamura from Japan, Hina Khizar from Pakistan, and Ece Ozalp from Turkey.

"Everything looked fresh, and I was excited to meet new people," said Kitamura about how she likes America.

The differences between the school systems differ greatly. Some of the changes between their old schools and FHS were the inability to choose their own courses, staying in one classroom while the teachers moved, and uniforms.

The hardest thing about coming to a new school so far from home for the girls was learning the language and having no one able to speak in their native tongue. Of course, all the girls said the ability to speak and read English has improved since they've been here. Being able to interact with the student body and having the support there as well, allowed the trio to grasp a better concept of the English language.

"I've gotten to know myself," said Osalp. "I've learned how small the world is because I've made so many friends in other countries."

"I'll miss my (host) family and friends the most," said Khizar. "I'll miss the freedom, lifestyle, hangouts, and food too."

The feeling of leaving behind their host families and new friends is a sad one and a common factor for all three girls.

FHS students/faculty and staff will miss them. It has been an honor to have them attend our school for a year. We wish them the best of luck in the future plans.

Fairhaven High School's accreditation process ended with a visit from the New England Association of Schools and Colleges team from Sunday, Sept. 30 to Wednesday, Oct. 3. Advisory days were utilized and improved. MCAS results were again improved, and teachers came and went. Some handbook changes also were made.

The FHS Commendations and Recommendations Report had 56 commendations and 34 recommendations, none of which were a surprise to the administration/ faculty/staff. Many of the commendations were due to the curriculum, school-wide rubrics, student participation in sports/activities, exceptional faculty/staff support, and use of Aspen/X-2. One of the main recommendations was to develop an adequate technology infrastructure to support staff and student needs for the integration of 21st century technology in all classrooms.

Advisory days were Nov. 19 (established team norms & goals), Dec. 21 (Where Are you Headed?), Jan. 28 (National Drug Safety partnership with the DA's Office), and March 4 (sexting/cyber issues by Bristol County Sheriff's Office). AP Art also was added to the curriculum.

MCAS scores were even stronger for FHS this past year. Score analysis in English showed overall improvement on the Long Composition and some areas of Fiction Analysis. More important, all students passed the exam in 2012. In Math, students showed exemplary work with 89 percent of students scoring proficient or higher on the 2012 Mathematics test, rising above the state average. Over half of Fairhaven students achieved advanced scores in Math, proving to excel above other regional schools. In science, more students got Advanced and less failed, but proficient slipped into the Needs Improvement category.

Four new teachers came on board this year including Nora Kelly (Guidance), Josh Shireman (Math), Kevin Beaulieu (Spanish), and Cary Isaacs (Science). Mr. Beaulieu moved up from the middle school, and Mr. Shireman came from Bishop Connolly. Isaacs left mid year. Mrs. Rebecca Bergeron (foreign languages) also left in the second semester to move back to her home state.

Finally, students had a touch of the college experience this year. Class officers made the recommendation to allow water in classrooms and the handbook committee approved the changes. Students were allowed to have water (clear liquid) in a clear container and were expected to keep it in the book bags. Administrators also acknowledged that cell phones can have a place in the school environment. Cell phones could be used with permission for assignments, during down time, or at the end of class.

The **FHS Art Club** offers students the opportunity to create art and share their artistic expertise, and to participate in critiques of their work and the artwork of their peers. Fundraisers consisted of homemade soaps, snow globes, recycled can tab bracelets, and original drawing coloring books. The money raised was for the Richard James MacCord Jr. Art Scholarship. Each year this award is given to a senior student who attends an art college/university majoring in art. Members are presently working on a mural in the Senior Cafeteria. (Advisor: Mrs. Fernandes)

BD-TV (Cable Communications) broadcasts the *Good Morning FHS* show daily on Comcast's Channel 9/internet throughout the school & the Town. Students videotape many sports/concert events that take place in the school. This past year, students worked on the NEASC & Council on Aging videos. Students had another successful seven-hour telethon on April 26 and attended the MOVE Contest in May. BD-TV Scholarships were given to students who participated in Adv. Media classes through senior year. (Advisor: Mrs. Charette)

Book Club members chose what they wanted to read as a group and shared their reactions with one another via informal discussions in a relaxed environment. Sometimes book-related movies added to the enjoyment and discussion. Anyone was invited who liked a good read and fun people to join them. (Advisor: Ms. Rhodes)

The two-time Southcoast champion **Chess Club** members lost their title against Sturgis Charter School on March 26. They had only two losses for the season, both against Sturgis. The team included seniors Jon Gonsalves (captain) and Giuliano Conte, junior Tony Wang, sophomore Brandon Chan and freshman Tristan Hart-Ward with freshman alternate Teddy Brunette. The team competed in the State Tournament on April 28. (Advisor: Mr. Medeiros)

For the first time, the **Drama Club** had two productions, Rumors (a play), first semester, and South Pacific (second semester). More information is provided on pages 115-117. (Advisors: Mr. Brejcha/Mrs. Higgins)

French/Spanish/International Clubs participated in Foreign Language Week. Each club has many activities that signify the countries' traditions, including events like Mardi Gras and foreign films, foods, and presenters. (Advisors: Mrs. Girouard – French, Ms. Costa – Spanish/ International)

Gay Straight Alliance members have done their best to stop bullying due to sexual orientation. They traveled to Lowell for the *Stand Up to Bullying* conference and learned from others who have been bullied. They tie-dyed club t-shirts and have planned events for the future to raise awareness in school. They also developed a GSA mission statement that encourages students to be true to who they are and to accept others for who they are. They will continue to stay true to the GSA mission and continue to help others. (Advisor: Marjorie Joseph)

Interact Club members were able to volunteer hundreds of hours to people and causes in need. The group helped raise money for Caps for Kids (an organization who supplies children with cancer hats given to them by their favorite celebrities). They also walked more then a hundred miles combined to raise money for food pantries throughout Massachusetts. Students took part in Youth Day of Caring, where many local schools all worked together to make the City of New Bedford & surrounding areas a better place to live. Their goal is always to give back & make the world a better place. (Advisors: Mr. Davis & Mrs. Castanheira)

Jazz Band met every Monday night from 6 to 8 p.m. This group had 23 members ranging from freshmen to seniors. They were invited to a jazz invitational at UMass-Dartmouth where the students were asked to play and participate in a master's class. The Band, Jazz Band, Orchestra and Concert choir also traveled to Philadelphia this year for a Heritage Festival, a national music festival where schools from across the country participate. (Advisor: Mr. Young)

Math Team had probably its most successful season in a while. Led by seniors Jackson Oliva and Guiliano Conte, the Math Team won the SCC Championships. (Advisors: Mr. Harding/Mr. Francis)

The **National Honor Society** took part in and hosted numerous activities to benefit the school, as well as the community. They collaborated with the Student Council and collected canned goods for local families in need. The Honor Society assisted the South Coast Hospice Group in their *Hope Takes Flight* event where they helped coordinate activities and even utilized their artistic ability, holding a face-painting table for children. This year, they partook in the *Playful Puppy* fundraiser, hosted by the Robby Thatcher Memorial Fund, where they raised money and donated over 50 stuffed animals to local children's hospitals. In March, the Honor Society started their first-ever *Easter Basket Build* project, where they collected items to assemble Easter baskets to donate to the Shepherd's Pantry. Members were able to assist local elementary schools by volunteering their time to kid-sit at PTO meetings. The Honor Society was again able to participate in Honor Bowls, where they competed academically against other schools in the SCC. (Advisor: Mrs. Fernandes)

Poetry Club carried out their tradition of publishing *The Poetry Journal* and met weekly throughout the school year. (Advisor: Ms. Young)

Students & Teachers Against Needless Discrimination's (STAND) mission is to educate others about the issues of diversity, prejudice & discrimination. Twenty committed students consistently attended the meetings, held from 2 to 3 p.m. every Friday in room 115. Forty students attended the STAND– P to Bullying Conference held on Nov. 29 at Tsongas Center in Lowell, MA. With over 5,000 students attending, it was one of the largest gatherings of young people helping to put an end to bullying in schools. On March 15, 20 students visited the Rogers School to present skits to students in grades 3-5. They also met with the students in small groups to discuss topics of bullying, conflict and kindness. (Advisors: Mrs. Amaral-Pina and Ms. Muello)

Student Council's mission was to represent the student body and to supply delegates to councils, advisory boards, and committees. Their goals were to improve school-wide attendance and provide two scholarships to worthy students who have displayed strong leadership, strong character, and caring about the school community. SC also prepared a pamphlet aimed at sophomores and juniors to better inform them of SAT's and college application costs and the advantages of good planning to reduce stress and costs. (Advisor: Mrs. Jardin)

Yearbook Club members met nightly twice a week on Mondays & Wednesdays for at least two hours and spent additional hours to meet deadlines. The book's pages were increased to 160 this year from 152. The Little Miss Blue Devil fundraiser (for grades Pre-K – 8) continued to thrive, but the traditional Haunted House was put on hold for the year. (Advisor: Mrs. Charette)

FHS Bonfire

It was a perfect night for the FHS bonfire which was held on Nov. 21 at Cushman Park. Spirits were high as students and parents enjoyed the gathering in anticipation for the Thanksgiving game. Once again, several Fairhaven firefighters generously volunteered their time to monitor the fire. All of the pallets as well as hot drinks were graciously donated to organize the event. The annual Fairhaven tradition offered a great close to the fall season.

Prom Court (Left to Right)
Princess Alexandra Saulenas, Queen Veda Krol, King Billy Pires, Prince Ryan Baldwin

2012 Prom

The 2012 Prom was held at the Westin Hotel in Providence, Rhode Island. The night kicked off with Fairhaven's traditional promenade held in the Performing Arts Center where the results were revealed for the 2012 Prom Court. Elected by their class, the court of Madison Shields, Emma Morehead, Danielle Paulson, Casey Teves, Alexandra Saulenas, Veda Krol, Jacob Carvalho, Alec Dompierre, Kyle Everett, John Stapleton, Ryan Baldwin, and Billy Pires posed under an arch of blue and white balloons. Juniors Alexandra Saulenas, Veda Krol, Billy Pires, and Ryan Baldwin were crowned princess, queen, king, and prince respectively. The event was followed by an array of flashing cameras as students took pictures with their friends and family before boarding the coach buses and heading off to prom.

Dressed to the nines, the girls wore long flowing dresses, while the boys suited up in tuxedos. The ladies flaunted sweetheart necklines, one shoulder styles, and jeweled detailing while the gentlemen matched their ties and vests to their dates.

The theme of the dance was Casino Royal as the tablecloths were designed like poker tables, accented by golden chocolate playing chips. Tickets were $65 and over 240 students attended. The dance was chaperoned by Mrs. Sunderland, Mrs. Neville, Mrs. Fernandes, Mrs. Jardin, Mr. Pilla, Mrs. Pittsley, Mrs. Oswald, Mrs. Ramsden, and Mrs. Bergeron.The prom featured a buffet style dinner boasting a variety of "kid themed" food such as grilled cheese, chicken fingers, and mozzarella sticks. The dinner was topped off by a delicious desert display of different flavored milkshakes. After enjoying their meal, students hit the dance floor for the rest of the night.

DJ'ed by Fun 107, both juniors and seniors went wild, dancing to popular upbeat songs like *Party Rock Anthem* and even slowing things down to Journey's *Don't Stop Believing*. Many of the teacher chaperones weren't afraid to show off their moves.

The evening ended at 11 p.m. and the tired students walked back to the buses to return to the high school for After Prom. The 2012 Prom was defined by the feeling of excitement and friendship as students enjoyed a formal night out with their peers.

2012 After Prom

Immediately following the students' arrival back from prom, they headed straight to the Performing Arts Center to start up the After Prom festivities.

About 138 students attended the FHS After Prom which was held in the FHS gym. Of those students, 81 were juniors and 57 were seniors.

As students piled into the gymnasium, they were greeted by an enticing spread of pastries/cupcakes, pizza, and popcorn. After perking up with a cup of coffee, the students explored the various activities filling the gym. Students enjoyed an inflatable lazer tag arena, toilet bowl racing, and the very popular inflatable obstacle course. The festivities flowed into the outside hallways where kids had their tarot cards read, their caricatures drawn, and their arms decorated with henna tattoos. Playing off the casino theme, poker matches were hosted alongside blackjack tables. The night was highlighted by the act performed by a hypnotist. The show proved to be a hit as students shared a friendly laugh with their peers who were in a deep trance on stage. The hypnotized students weren't afraid to ballet dance for the crowd, pretend to milk a cow, and even replace the number 4 with "booger" as they were oblivious to their silliness.

The night finished off with various prize giveaways before the students headed home at 5 a.m. to get some much needed sleep.

JUNIOR DAY

Junior Day is tradition that dates back to the 1920's, in which the juniors formally become seniors the Friday before Graduation Day. While the seniors suit up in their caps and gowns for the first time, the junior class dresses more formally. The boys dress in white button down shirts, tan pants, and ties while the ladies dress in traditional white dresses. Each boy is presented with a yellow boutonnière and the ladies hold a single yellow carnation. The juniors then march into the gym to a unique, choreographed walk that has been passed down since the first Junior Day. The soon-to-be graduating class follow in as the juniors are seated. After awards are given and music has been played, the president then passes the mantle, making the junior president the official president of the senior class. After the ceremony, the seniors are invited in the cafeteria to sign yearbooks and enjoy complimentary pizza and cake.

Day 1: Senior Day - Super Heroes

Day 2: Color Day

Day 3: Decades Day

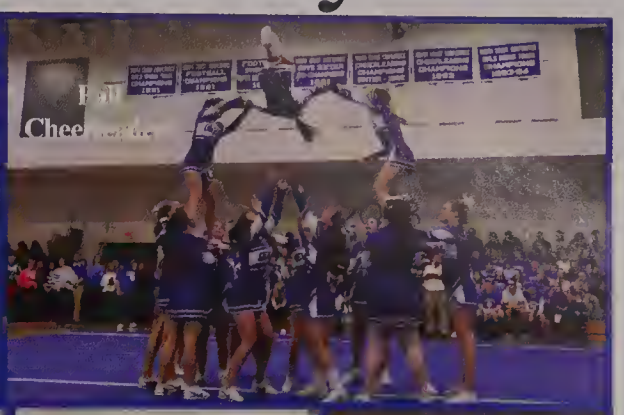

Day 4: Costume Day

Day 5: Blue & White Day

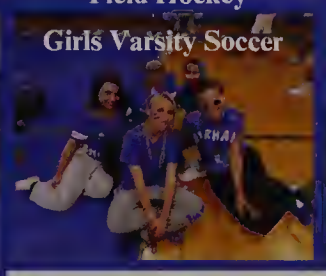

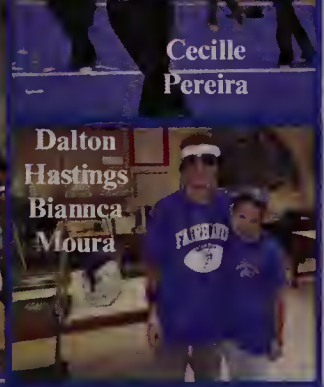

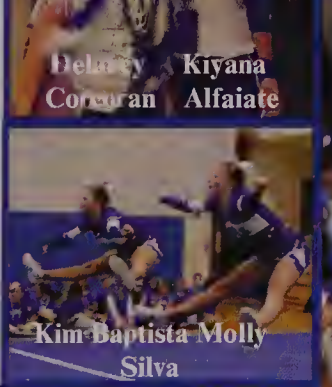

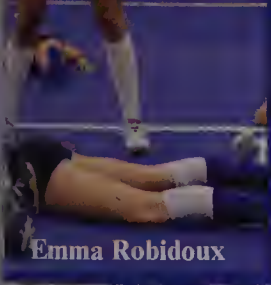

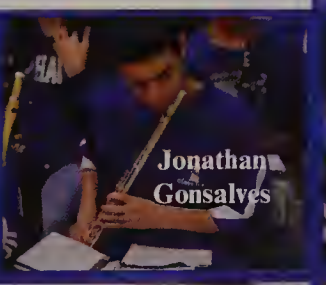

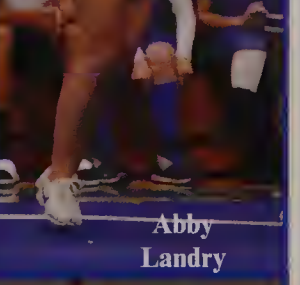

Spirit Week was held from Oct. 22-26. Seniors decided to have Super Hero Day for their class on Monday. All the seniors dressed up in different costumes like the Powerpuff Girls, Mermaid Man, Barnacle Boy, and many of the Marvel Super Heroes. The cheering squad decided the themes for each day: Tuesday, Color Day; Wednesday, Decades Day; Thursday, Costume Day; and Friday, Blue & White Day. On Color Day, seniors wore pink, juniors wore white, sophomores wore purple, and freshmen wore green. Students were creative with the Decades Day attire. The school had a fire alarm on Thursday, so everyone had to go outside wearing their costumes. Blue & White Day ended with a pep rally for the school. The cheerleaders performed along with the field hockey, girls' soccer, and volleyball teams. Homecoming Court was announced, and the band performed. Classes competed against each other for the loudest cheering. The rally helped to kick off the homecoming football game that night against Apponequet. FHS won, 14-7.

Homecoming Dance

On Oct. 27, 2012, close to 300 students and guests attended the 2012 Homecoming Dance. The music was provided by FUN 107's Michael Rock who played popular songs which students enjoyed listening and dancing to.

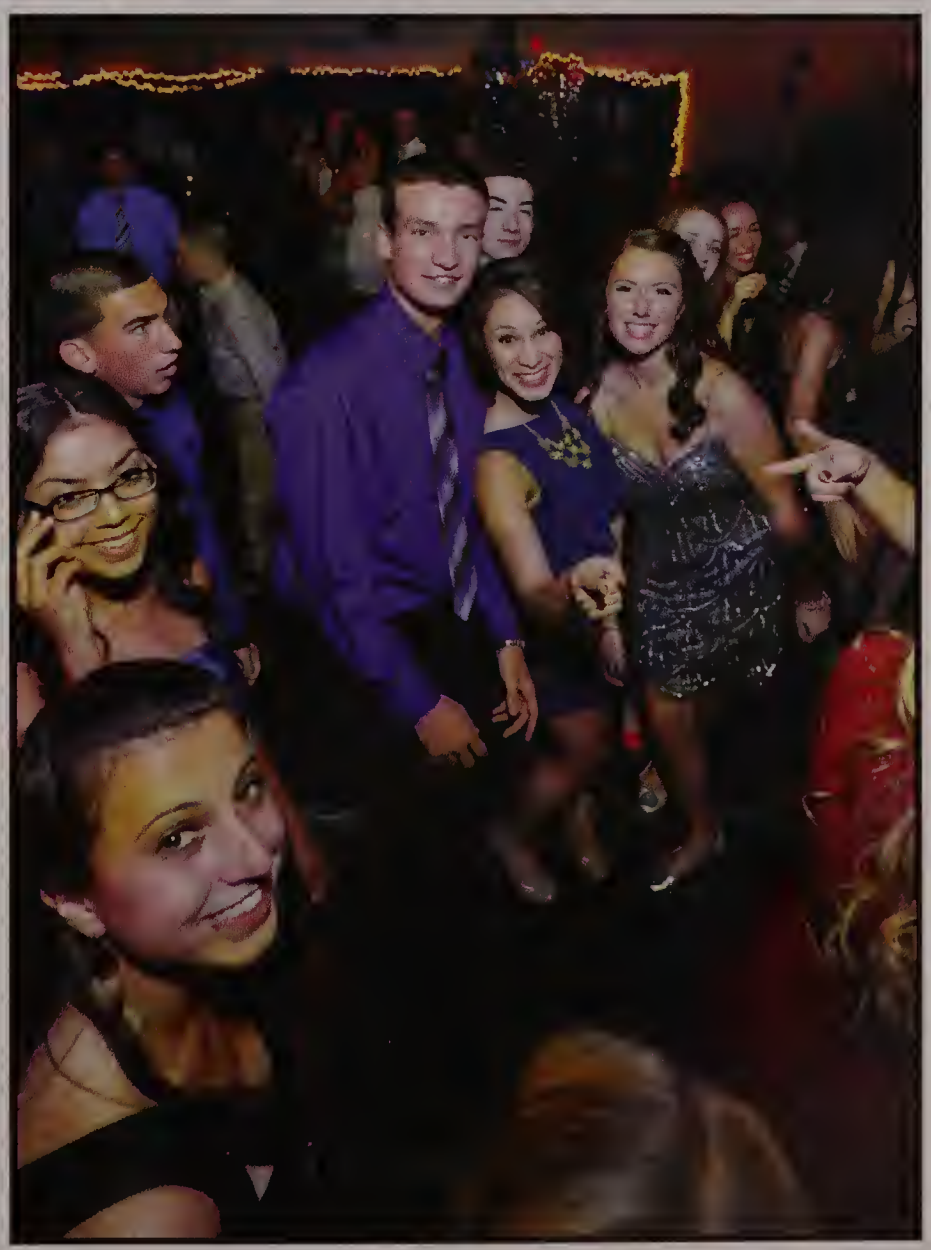

The cheerleaders organized the annual dance. They scouted out the most spirited students during Spirit Week at FHS. On the day of the pep rally, the girls tallied votes for the most spirited female and male in each grade, while juniors and seniors had two females and two males. On the night of Homecoming, all participants were allowed two votes for the Homecoming royalty, and they placed 2 beads in bowls with the names of their choices.

Sophomore Kris Moore was crowned Homecoming Prince, while sophomore Allison Lima was named Princess. The honor of Homecoming King was bestowed upon senior Kobie Edwards and queen was senior Laura Medeiros.

Also on the court were freshmen Craig Demers and Kailee Nadeau; juniors Griffin Desmarais, Kellie Ruccolo, Delaney Corcoran, and Kyle Bueno; and seniors Dan McLaughlin and Kayli Berche.

Powderpuff Football was held by yearbook staff after a few years hiatus, and senior girls reigned. All teams came early to practice and warm-up. Each team had a color to wear. The freshmen wore green, sophomores were blue, juniors were purple, and the seniors were pink. It was a cold night, but the girls toughened up and played with enthusiasm. The clock started thirty minutes and continuously ran. Everyone had a great time and really got into it. Sophomores fought hard, but the seniors defeated the sophomores, 6-0, with a touchdown from Emma Morehead. Juniors easily defeated the freshmen, 20-0. with Alexandra Charette, Kiyana Alfaiate, and Harleigh Becotte scoring. Finally, the seniors defeated the juniors in the championship game, 14-6. Scoring for the seniors were Kayli Berche and Morehead. Scoring for the juniors was Alfaiate.

MARCHING BAND

Beginning a week before school starts and ending at the end of the football season, the FHS marching band gets tons of playing time.

Their practices begin the week before the start of the school year. Band students sharpened their marching techniques for four hours each day. Soon, they put their skills to the test, performing at every home half time show. This year, the band played selected themes from the musical *Little Shop of Horrors* such as *Dentist, Suddenly Seymour,* and *Prologue: Little Shop of Horrors.* Along with the field show, the band plays music in the bleachers such as *Louie Louie*, *Celebration*, *Hey Song,* and *Notre DamelThe Fight Song.*

"Learning formations was a little difficult," said senior Alex Kuechler, "but, in the end, it was fun."

Besides field shows, the marching band also participates in parades such as Veteran's Day, and Memorial Day.

Kuechler added that the best thing about marching band was all the friends he made there.

Rumors

First FHS fall production staged

The Fairhaven High School Theatre Company put on its first fall production of Rumors by Neil Simon. This is the company's first time putting on a non-musical production.

The story takes place in present day New York at a dinner party gone wrong. It starts off with Ken Gorman (portrayed by Michael Eckenreiter) and Chris Gorman, (portrayed by Marisa Rebelo) at the 10th anniversary dinner party of their friends and business associate Charlie and Myra Brock. When the second guests have arrived, Lenny and Claire Ganz (portrayed by Kris Moore and Hanna Christ), Ken and Chris have to find a way to cover up the fact that there's no dinner, Myra is missing and Charlie has shot himself in the earlobe.

The lie turns into a vicious string of lies until Ernie and Cookie Cusak (portrayed by Jon Gonsalves and Kennedy Ryan) arrive. Now the goal is to hide what has happened from them. This continues while Glenn and Cassie Cooper (portrayed by Jared Fredette and Heather Welty) show up and the truth final comes out. Then the cops arrive and the party has to come up with a story. Officer Ben Welch and Janet Pudney (portrayed by Ricky Souza and Morgan Smith) ask what is going down due to the sound of gunshots, and Lenny is elected to portray the role of Charlie. He comes up with an elaborate story revealing what could be the truth. This is when Charlie calls saying he will explain the whole story and what happened to Myra, when we hear a knock on the door...

FHS football and its 2013 seniors had seen the program's darkest days in recent years, however the 2012-2013 season was very different. Coming off a big upset win over rival Dartmouth the year before to end the 2011 season (3-7 record), the Blue Devils had big expectations for the 2012 season, who were predicted by the newspaper to win the SCC.

The team was led by senior captains Billy Pires and Ryan Baldwin as well as team role models Kobie Edwards, Conner Flynn, Jarrid Antil, Christian Braga, and Peter DeTerra. The players began the season strong, going into their last home game with only two losses, the first being DR who would become the undefeated SCC champs. On the Devils' senior night and homecoming football game they took down SCC power house Apponequet, a team the Devils have not beaten in 11 years, in a 14-7 defensive battle led by a quick offensive strike from senior QB Christian Braga to senior wide out Flynn. Senior running back Pires finished off the first quarter with a 54-yard TD that proved to be the game winner as the two defenses battle it out for a long, scoreless three quarters.

The Devils then traveled down the road to shut out GNBRVT, 12-0, and performed an offensive explosion a week later at Case High School. The Devils scored a season high 43 points led by Flynn and Edwards. The Devils entered their last game with a strong winning streak and an emotional senior class, as they were facing their revenge-seeking rivals, Dartmouth. While the team played well, they suffered a 14-7 loss to the much larger opponent.

The Blue Devils finished at 8-3 overall and 6-2 SCC, proving to be a dominating turn-around team. The huge improvement of the season was led by the improved offensive line including DeTerra (*Standard Times* All Star) and Braga (*Standard Times* Honorable Mention), as well as the rushing duo and *Standard Times* Super Team members Pires and Edwards. The defense was led by Baldwin, *Standard Times* Defensive Player of the Year and middle line backer, as well as Flynn (Standard Times Super Team member) and Antil (Standard Times All-star) who led the defense to a conference second best.

The six seniors included co-captains Abigail Landry and Kayla Teixeira, Jayne Faria, Samantha Botelho, Kimberly Baptista, and Molly Silva. The girls received first place for SCCs in Dighton Rehoboth after working hard all season. On Nov. 11, the girls traveled to Dartmouth where they also placed first in regionals. They traveled up to Shrewsbury where they received second place in states.

This winter, the squad lost some girls but gained many more and had to split up the team between a competition team, a game team, and a few alternates. The girls practiced hard and placed first in SCCs and second in both regionals and states.

Field Hockey

The field hockey team faced a challenging season, finishing seventh overall in the SCC. However, the Devils never got down on themselves and always took the field with pride remembering their chosen word of the season, *dedication*, as encouragement. "The team never let the score determine their attitude," said head coach Julie Sunderland. "I felt we played harder when we were down a goal. The team always seemed to help lift each other's spirits as well. They found a way to encourage each other even through some tough losses. We did not have a lack of effort and where we lacked wins, we made up for it with our sportsmanship. This year's field hockey team was by far the best team I've had in regards to sportsmanship."

Chosen by their coaches, captains Alexandra Saulenas, Serena Vega and Marisa Gubler led the team through their tough season. The Devils had an impressive end-of-the-season tie with SCC powerhouse Dighton-Rehoboth, scoring in the final seconds of the game off a perfectly executed corner. The goal, shot by Gubler, was her seventh of the season, tying with Saulenas for most goals earned in the 2013 season. Other personal achievements came from Missy Berry who had the team high in assists (6), and earned a spot on the SCC All-Star team. Other honorable mentions included Vega and junior Taylor Allen. Both Jackie House and Callie Remillard earned the end of season Sportsmanship Award and the Coach's Award was given to both Saulenas and Vega.

The FHS field hockey team dedicated their senior night to *Play for the Cure*, a breast cancer awareness cause. The girls and Jones sold breast cancer items and promoted the game for the month of October. The anticipation for the game was well satisfied as Fairhaven fought hard against opponent Westport. Between the tears, gifts, and baked goods, the night proved to be a cherished memory for the 2013 seniors.

Team wins both SCC & South Sectional

With the help from the 2010 *Boston Globe* Coach of the Year Karen Arsenault, the Lady Devils had another successful season finishing with a 20-4 overall and 15-1 SCC record. The Devils clinched their third straight South Sectional Division 2 championship even after losing 2012 graduates Kara Charette, Kelsey Sovik, and Kayli Moniz. The team became the first team in school history to win both the South Coast Conference title and the South Sectional title.

The Lady Devils had a *Standard Times* Player of the Year again this year. Last year's title was received by Kara Charette and this year was co-captain Kay Mullen who plans to attend Eastern Connecticut to play volleyball. Moving from the middle to the outside, Mullen had a successful year finishing as a SCC, *Boston Globe, Boston Herald*, and Massachusetts All State Division 2 All Star with a team-high 326 kills, 493 digs, 97 blocks, and 36 aces.

Mullen had high expectations for the team even without last year's trio. "Everyone expected us to fall off this year," said Mullen, "but we believed we could win even though nobody else did. When we finally beat Duxbury in the Sectional Finals, it made it that much sweeter and was one of the best feelings I've ever experienced."

Co-captain Ashley Brown also had a successful year receiving SCC/*Boston Herald* All Star, Massachusetts All State Division 2 All Star, and *Standard Times* Super Team. Arsenault called Brown "the heart and soul of the team." Brown ended the season by recording 627 assists and 403 digs.

"Kay and Ashley made the necessary adjustments and did phenomenal things playing off each other this year," said Arsenault. "They became great leaders and really used each other to grow and improve."

Mullen (6-foot-1) became a force to be reckoned with at the net, proving to be a deadly combination with Brown, the setter and perfect

Sophomore Katie Leidhold received SCC and *Standard Times* All Star while recording 286 kills, 481 digs, 38 blocks, and 75 aces. Juniors Mariah Nicholas and Harleigh Becotte received Honorable Mention while Madison Cabral received the Sportsmanship Award.

The 2012 season was a big one for the Fairhaven High School boys' soccer team. They finished their season with a record of 8-8-3 (SCC) and 8-10-3 (overall), making it into the tournament for the first time in four years. The Devils clenched their spot in the tournament at their senior night game against DR, winning 2-0. They suffered a close 2-1 loss against Seekonk in the first round of tournament.

Leading the team into their first tournament game were seniors and two-year captains Kyle Everett and Alec Dompierre. Dompierre finished his career with 50 goals, 23 of them being scored his senior year making him the leading goal scorer for the season. Not only could Dompierre be counted on to get the ball in the back of the net, but also for setting up many opportunities for his teammates, ending with 18 assists for the season. He earned a spot as a SCC All-star and an Eastern Mass All-star. While Dompierre led the team in goals, Everett was not far behind, ending his season with 20 goals. Everett used his speed and knowledge of the game to earn points for his teammates and ended his season as a Standard Times Super Team and a SCC All-star.

Other key players included seniors Sean Masse, Eric Borges, and Eric Moura, juniors Jacob Duarte, Jacob Bolarino, Billy Oliver, sophomore Lucas Cabral, and freshman Josh Nunes. With an older starting line up, the Devils' team chemistry was already developed, allowing them to focus on their job on the field.

The Fairhaven High School girls' soccer team proved to be a top competitor for the SCC in the 2012 fall season. With seven starting seniors returning to the playing field, not many teams could compare to the motivation and heart that went into fighting for the title. They began their season with non-stop energy having six consecutive wins, one of which stood for much more than just any win. The third game of the season was a first-ever for the seniors, never having defeated ORR in their four years of playing together. With that 2-0 victory against one of the biggest powerhouses in the conference, the Lady Blue Devils proved that they weren't stepping down to anybody.

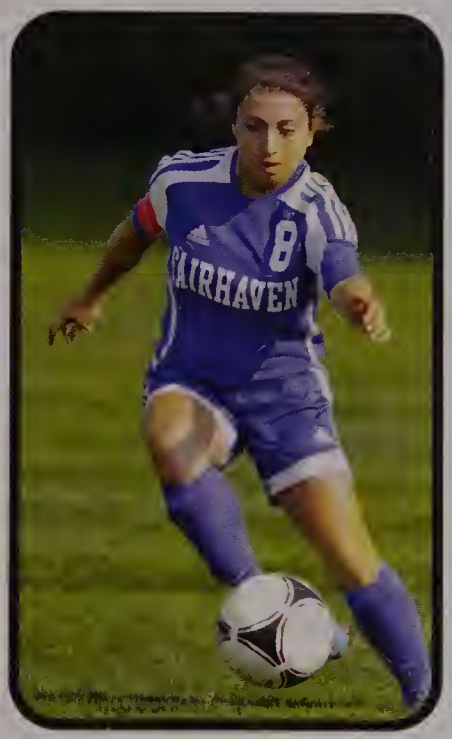

Senior captains Emma Morehead, Kayli Berche, Madison Shields, and Ashley Pereira led the team to second in the conference, only behind Apponequet, and to the quarterfinals in the state tournament. The season was an example of teamwork and dedication, every member of the team giving all they had on the playing field.

Due to the large gap between the seniors and underclassmen, only having one junior on the team, the younger members of the team stepped up quickly and made a huge impact, not only on the field, but also in making the seniors' last year memorable.

The team ended the season at 12-5-3, 9-4-3 SCC, suffering a close 1-0 loss against Ursuline Academy in quarterfinal action. Kayli Berche received *Standard Times* Player of the Year for 2012. As a two-year team captain and a four-year varsity starter, Berche proved to be a key player for the Lady Blue Devils. Berche was the leading goal scorer for the season with 20 goals and added on six assists. She finished her high school career with 50 goals, scoring her 50th in the tournament game against Ursuline. Coach Derek Galvam said she always played with a no quit, no fear, attitude that combined with her talents to create an all around player. Berche finished the season making it as a SCC Player of the Year, SCC All-Star, EMASS All-Star, *Boston Globe* All-Star, and All New England. Alongside of Berche, was two-year captain and four-year varsity starter, senior Emma Morehead. Morehead made the *Standard Times* Super Team along with making SCC All-Star and EMASS All-Star. Morehead was not only a scorer, ending her career with 69 goals, but a knowledgeable player, who could read the field and anticipate plays. While

GIRLS SOCCER

Morehead struggled with an injury all season and countless double teams, she continued to play hard and ended her season with 16 goals and 5 assists. While Morehead and Berche scored the goals, senior sweeper Cecille Pereira was Fairhaven's rock on defense. Pereira was a fast and tough defender who could be trusted to clear any ball that came close to her. Her teammates trusted her to protect their side of the field, and she never failed them. She ended her season making both *Standard Times* Super Team and was a SCC All-Star. Ashley Pereira made *Standard Times* All Star and SCC honorable mention while playing center midfield. She was an extremely aggressive player who was constantly all over the field, proving her to be a tough one-on-one defender who could mark up the opposing teams' top offenders. Senior Madison Shields played on the wing as a midfielder. Shields could be counted on for her strong kick to both clear out the ball for defense and set up the ball for offense. Senior Amy Silvia, Fairhaven's stopper, earned both *Standard Times* honorable mention and SCC honorable mention. Silvia had a very good soft touch and ball skills that allowed her to clear out the ball on defense. Senior Katie Langlois also made *Standard Times* honorable mention. Langlois was the Devil's goalkeeper; notching eight shut outs in a season. While fighting an Achilles injury in the middle of the season, Langlois continued to push through for her team.

Key starters for the underclassmen were sophomores Hannah Abrantes, Allison Lima, and Taylor Canastra as well as freshman Kari Berche.

Cross Country

Thanks to the West Island 5K donation, the cross country teams had much improved numbers for participation with many all stars. The girls finished 4-4, 3-3 SCC, and the boys were 2-6, 1-5 SCC.

Alumnus Lyle Drew (1990) led the fundraising charge for the teams and has added team bonding incentives such as competing in The Spartan Race in Amesbury along with giving brand new sneakers to team members who get new recruits who stay for the season. Getting new recruits were Grant Gadbois (Ken Borges), Justin Borges (Isaac Esposito) and Alex Charette (sister Dani).

Leading the girls, junior Bay Gammans was named *Standard Times* Player of the Year and an SCC All Star. No. 2 Alex Charette was an *S-T* and SCC All Star and sister Danielle, no. 3, received a *S-T* and SCC honorable mention. Kylie Stupalski also received an SCC honorable mention as the team's 4th runner. For the boys, Ken Borges made the *S-T* Second Team and Justin Borges received an honorable mention and both received SCC honorable mentions.

Ken Borges ran 18:49 to break the school record set by Max Charette last year on the 3.1 mile Mariner Course.

All parents/family were invited to the teams' banquet at the FHS cafeteria on Nov. 16 where salad, pizza, cake, and drinks were served. A team video was played and awards were given.

Captains were Craig Lewis and Paige Teves. Bay Gammans and Kenneth Borges received the Fairhaven Road Race Award for contributing the most to their team's records. Mollie Medearis and Craig Lewis received the Lyle Drew Awards for overall effort. Grant Gadbois and Mollie Sylvia received the Matty Oliveira Awards for being the most outgoing leaders. Receiving the SCC Sportsmanship Awards were Mollie Sylvia and Jackson Oliva.

Cross Country received $12,345 from the West Island 5K road race that was held on April 29, 2012. This money was used for transportation, meet fees, scholarships, warm ups and some assorted items including a tent. There were 600 registered 5K runners/walkers & 60 registered Kids Mile participants.

GOLF

Although the Blue Devils were coming off of a 5-13 record in the 2011 season, fourth year coach Kevin Reedy set high standards for what he called "the best FHS golf team to date." Graduating just one senior in 2011, the experienced Blue Devils were led by seniors Jacob Carvalho, Dan McLaughlin, Eric Plummer, and junior Tyler Hemingway. They ended their season with an 8-12 record, which was a big improvement from the previous year but did not earn a spot in the state tournament. However, each team member improved their average annual score and played to their potential throughout the year. Hemingway placed second in the annual SCC tournament and also qualified for the state tournament for the third consecutive year.

ICE HOCKEY

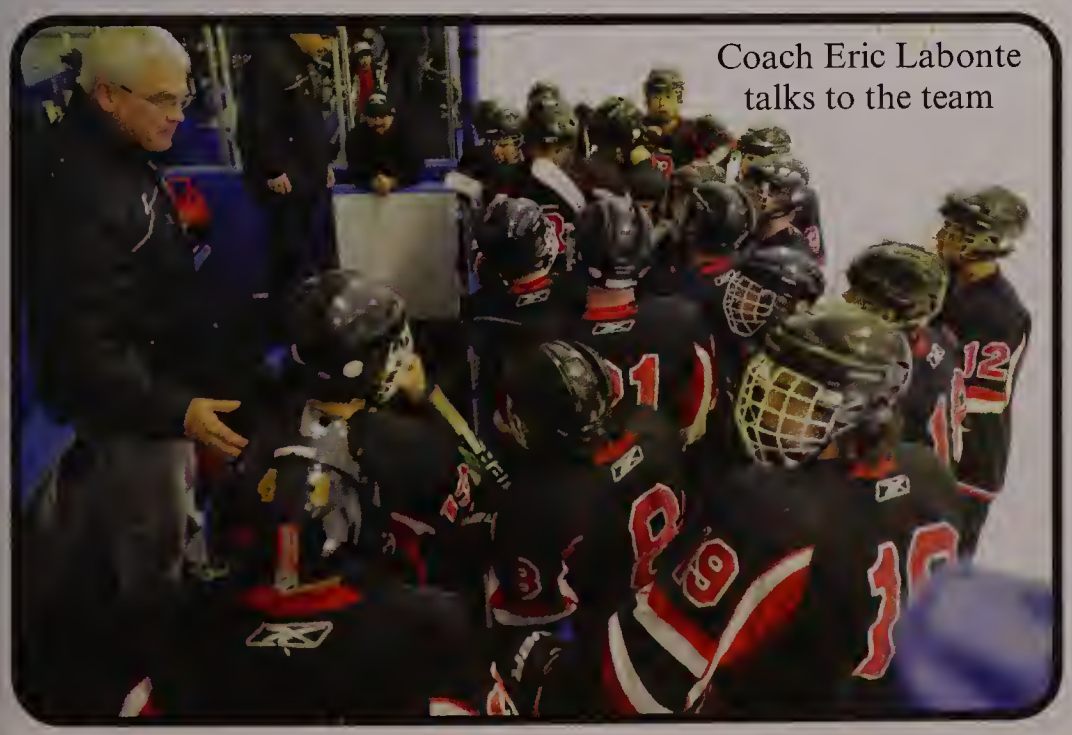

The ORR/FHS ice hockey team had another successful year, winning the SCC with a record of 9-1-0 (11-8-4 overall) and qualifying for the state tournament where the #13 Bull Dogs lost to #20 Scituate in the Div. 3 South Preliminary Round at Tabor. Fairhaven proved that quality is much more important than quantity, with only six Fairhaven members on the team. The boys proved to be top players on the team and made an impact on the results of their season. Sophomore Mike Lygren finished his season with a high of twelve goals as well as eight assists. Jeremy Lawton also notched twelve goals, however he proved to be an unselfish player earning a total of eighteen assists for the season. Other key members include junior Alex Silva with six goals, seven assists; sophomore Mason Evich who had two goals, eight assists; and freshman William Maniatis with one goal, one assist.With two strong seasons resulting in two SCC banners, the young team can only get better in the future. Head coach Eric Labonte said he's "looking forward to next year as we have a talented group of returning players." The team's home rink is at Tabor Academy in Marion.

GIRLS BASKETBALL

The girls' basketball team finished the season with a 14-8 record overall and 9-7 in the SCC. The #14 Devils won against #19 Apponequet to get to the second-round in the MIAA South Div. 3 tournament, losing against #3 Martha's Vineyard. The team lost four outstanding players who graduated last year.

One player who stepped up was senior Ashley Brown who was named *Standard Times* Player of the Year, a Dave Cowen's nominee, and is part of the 1,000 Point Club. Brown ended up averaging 15 points, 6.5 rebounds, five assists and 4.5 steals to help the Lady Devils. In her career, she finished with 1,045 points and 360 steals. In her three years as a starter, Brown helped lead the Blue Devils to a 53-16 overall record and has no regrets.

Brown played every game with "reckless abandon." A good shooter and slasher to the basket, she could have scored a lot more points, but was happy to play the role of team leader and spread things around on offense with her ability to handle the ball and run the fast break. Brown will go to the next level with basketball at UMass-Dartmouth while she studies to be an athletic trainer.

Another player who stepped up was senior Kay Mullen. Mullen was named *Standard Times* All Star while averaging 10 points, 11.5 rebounds, and 2.5 blocks per game. She proved to be a tough rebounder at both ends of the court and ran the floor well on the team's fast break. Other key players were junior Mariah Nicholas and senior Briana Pelton who both received a *Standard Times* honorable mention.

Coming off of a tough 2011-2012 season at 1-19, the Blue Devils were looking forward to a new, brighter horizon. With a senior-heavy team, experience was on the Devils' side for this season, along with some young talent from the sophomore class. The boys didn't make any kind of historical run, but they did dig the team out of a deep hole and make them a threat to even the most elite of the teams in the South Coast Conference. The team finished the season with a 6-14 record overall, but the record didn't reflect the talent the Devils portrayed.

The team was led by senior captains Jacob Carvalho and Dan McLaughlin as their experience, incredible work ethic, and leadership set superb examples for the younger talent on the team. The Blue Devils weren't the strongest team on the offensive end but they had their nights, like their upset win over previously beaten New Bedford Voc-Tech by a whopping 17 points as Fairhaven's offense exploded along with the tough gritty defense they can play. The offense was led by sophomore forward Cameron Charette and McLaughlin, to go along with some sharp shooting by sophomore guards Matthew Myers and Jason Rivera.

The Blue Devils might not have had the best record, but they did play the best defense around. The boys, known for their tough and gritty style of defense, could hold even the best of offenses, such as Wareham. The defense was led by Carvalho, as well as tough defense by senior guard Billy Pires on some of the leagues' best guards. However, any player on the team could defend any of the best players in the league and in the area, as defense was definitely the Devil's best aspect of the game.

Charette made the *Standard Times* All Star team. The 6-1 forward was a go-to guy on offense and responded with a team-leading 15 points a game, the only Blue Devil to average in twin figures. In his second season on varsity, he had a season-high of 29 points and drained 21 three-pointers on the year.

McLaughlin received an honorable mention.

Carvalho was Fairhaven's nomination for the 24th annual Dave Cowens Achievement Awards ceremony. He played a solid floor game and helped set up his scorers with pin-point passing while occasionally adding a 12-to-15-point game of his own. Excellent in the classroom, he's earned an "A" in AP calculus, AP statistics and AP Spanish. He also did well in honors physics and honors English.

Girls Winter Track

The Lady Blue Devils broke through the small school barrier on Dec. 12, 2012 when they beat powerhouse DR, a first for the eight seniors on the team. FHS proved to be a huge threat to other schools, finishing their season second, behind ORR with a 7-2-0 overall, 6-2-0 SCC record.

The season was filled with hard workouts and focus which paid off with much success. Senior Ashley Pereira went undefeated in the SCC in both the 600 meter and the 1-mile, along with junior Bay Gammons who was undefeated in the 2-mile. Sophomore Kacie Carvalho broke the 55-meter-dash school record of 7.3 seconds. The SCC meet was rescheduled twice due to the blizzard of Feb. 9 but was canceled due to state meet division conflicts. This was a huge loss for the athletes who were close to qualifying for states. The Div. 4 state meet was held at the Reggie Lewis Center on Feb. 15. Carvalho qualified for the 55 meter dash (7.83). In the 55-meter hurdles, junior Emma Robidoux ran 9.95, and competed in the high jump. Pereira ran the 1-mile in 5:37.52 and Gammons ran the 2-mile in 12:49.98 . The 4x400 team of junior Madison Maniatis, Carvalho, senior Heather Shanks, and Robidoux ran a combined time of 4:31.53. The team of Gammans, senior Alex Saulenas, junior Danielle Charette, and Pereira ran the 4x800 in 11:00.75.

Boys Winter Track

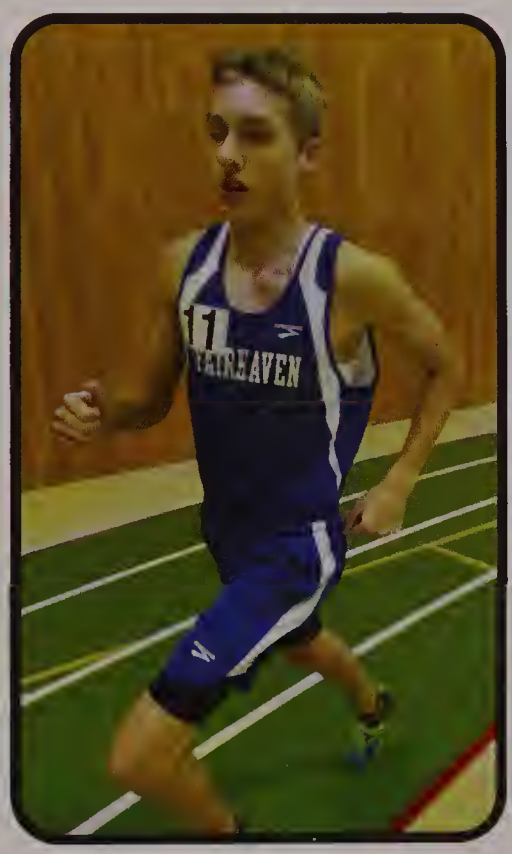

Senior Kyle Everett explodes from the starting line of the 300m.

The Fairhaven Blue Devils returned to the track for a turn-around season. With only one win last season against Wareham, the boys worked hard to make a change, ending their season with a record of 4-4-0 (SCC), 4-5-0 (overall). Junior Billy Oliver had a standout season, breaking the school record in the 55-meter hurdles at 8.2 seconds. With the big SCC meet canceled due to the Feb. 9 blizzard, many athletes were stripped the chance to qualify for the state meet. The more fortunate who had qualified before the meet headed up to the Reggie Lewis Center on Feb. 15th. Senior Kyle Everett qualified for the 55-meter dash, as well as qualifying in the high jump. Oliver placed seventh running the 55-meter hurdles, earning a medal on the awards podium with a time of 8.53. The 4x200 team of Everett, senior Jake Perrone, junior Mike Eckenreiter, and Oliver ran a combined time of 1:43.16, and the 4x800 team of seniors Seth Guillotte, Eric Borges, Jackson Oliva, and Craig Lewis ran a time of 9:08.92.

Baseball

If anyone in the SCC had a shot at defeating the powerhouse Dighton Rehoboth team, it was the Blue Devils. Seniors Ryan Baldwin, Jake Carvalho, Drew Wethington, Christina Braga, Eammon Andre, Tyler Pereira, and Thomas Powers were expected to lead the team in the battle for the SCC title. Last season's Standard Times Player of the Year, Baldwin, led the team in almost every category including total bases, batting average and slugging percentage. In addition, the left-handed hitting, right-handed throwing four-year varsity veteran was the ace of the pitching staff and the team's first baseman. In 2012, Baldwin had a batting average of .351, an on-base percentage of .472, and a slugging percentage of .667. Carvalho also made his mark last season with a S-T Honorable Mention. Junior Andrew Casteel made the S-T All Stars as a sophomore. He was second in the batting order last season, leading the team in hits with 24 and 11 RBIs and played a strong third base. Wethington moved from outfielder to catcher and had a strong bat. The Devils had a deep, talented pitching staff with sophomores Cam Charette and Justin Jacobsen and Andre, Braga and sophomore Matt Myers. Other underclassmen who were expected to make an impact were sophomores Mike Lygren, Ethan Souza, and Jason Rivera. The Devils had a team with both experience and fresh legs entering this 2013 season and were expected to be serious contenders.

She finished her season with a 1.33 run average, and had seven strikeouts. Along side of Girouard, Kay Mullen made the Standard Times All-Star team. Mullen played first base for the Devils, and even with one of the biggest striking zones managed has a batting average of .423, including two homeruns. Coming off a big season, winning the SCC championships and making a far run into the tournament, the Lady Blue Devils had big expectations for 2013. Key returning upperclassmen included seniors Mullen and Kayli-Anne Barriteau (outfield) as well as juniors Girouard, Morgan Haaland (catcher), Kiyana Alfaiate (short stop), and Delaney Corcoran (outfield). Seniors Missy Berry and Farah Gillette teamed up at first doubles, while junior Allison Roderiques and freshman Alexandra Lima cobined at second doubles. Coming off of a record-setting season, the defending conference champion Blue Devils added several upperclassmen to their roster for the 2013 season including seniors Connor Flynn and Jarrid Antil in hopes of improving their near-perfect (17-2) 2012 season. Making the 2012 Super Team were Kobie Edwards, William Pires, and Alec Dompierre. Also leading the Devils were juniors Alexander Silva and David Santos. Edwards was named the 2012 SCC Player of the Year and set the FHS school record for most goals scored in a season (94) and most career goals. Billy Pires also became the third player in FHS history to score 100 career goals. The highlight of the 2012 season was against Dartmouth, at home, when Edwards scored the game-winning goal off of a pass from junior goalie Alexander Silva during overtime to beat Dartmouth for the first time in team history. During the 2013 season, the Blue Devils looked to go deeper into tournament action.

Mr. Fairhaven 2013

Sponsored by the FHS After Prom Committee, the FHS senior boys battled for the title of Mr. Fairhaven on a Friday night in the Performing Arts Center. Eleven of Fairhaven's finest joined together on April 5th and went head-to-head in the traditional male pageant. After a fun-filled night of eccentric outfits and hilarious acts, John Stapleton took the title of Mr. Fairhaven followed by Billy Pires as first runner up and Christian Braga as both second runner up and People's Choice. The show was hosted by seniors Marisa Gubler and Veda Krol and on the judge's panel were Ms. Shawnte Paris-Stokes, Fun 107's Larry Soares, and School Committee Chairwoman Pam Kuechler. Mr. Fairhaven opened with a group number, *The Evolution of Boy Bands,* choreographed by former cheering coach Alyssa Marshall. They strutted their stuff on stage in the casual and swim wear portions of the show alongside their escorts. The boys then faced off in the talent act. Eamonn Andre mopped the stage *Spongebob* style. Christian Braga and Ryan Baldwin performed a number from *Dirty Dancing.* Jacob Carvalho sang Philip Phillips's *Home* accompanied by his guitar. Giuliano Conte played his own song on the piano. Billy Pires sang his own rendition of *Stu's Song* from *The Hangover.* Daniel McLaughlin performed a comedy skit. Jackson Oliva played the cello. Jamaul Jones recited his own poetry. Tyler Pereira sang and danced to *Luso Style*, and John Stapleton finished off the talents by *Rick Rollin'* the audience. The show then moved onto the formal wear, followed by questions from the judges. After much debate, the final five were chosen: Braga, Baldwin, McLaughlin, Pires, and Stapleton. Although fierce, the competition remained friendly and was a great bonding experience for all the seniors involved.
